

Squirrel Monthly Income Fund

30 September 2022

The Squirrel Monthly Income Fund ('Fund') seeks investors to generate a competitive and regular income from a diversified portfolio of NZ loans secured by a registered first mortgage on residential property and personal loans to NZ Homeowners. Squirrel focuses on mortgage lending to select market niches where investors can expect to earn attractive returns from carefully qualified borrowers with residential property as security.

Net running yield

6.21% p.a.¹

Performance and Market Commentary

The Fund returned 0.52% (*net of fees, before taxes) for September 2022 which brings its since inception return (14 Oct 2021) to 5.04%*. During the month, the Fund's exposure to the Squirrel Personal Loan Fund was increased from 17.00% to 22.84% to benefit from the Fund's increased investment in Launchpad loans. Squirrel's Launchpad loan enables first time home buyers who have excellent stable incomes to close the gap between their savings (they must have at least 5%) and the 20% deposit required to secure bank funding. These buyers are often frustrated, as while they can afford the mortgage, they either don't have the 20% deposit required to access main banking funding or their higher income excludes them from Kāinga Ora due to its income and house price caps. The Fund's exposure to the Squirrel Wholesale Construction Loan Fund was reduced from 79.19% to 73.21%. The Fund's net running yield of 6.21% p.a. is providing investors with an attractive and stable source of income in an increasingly volatile market.

Investment Objectives and Strategy

The Fund's investment objective is to provide an annual return, after fees and before tax, of the **NZ Official Cash Rate (OCR), plus a margin of 4.00% p.a.** The Fund combines Squirrel's real estate lending expertise into a convenient, tax-effective form where investors receive returns from a diverse portfolio of 1) home loans and 2) residential construction loans with first ranking security against residential property and 3) personal loans to Homeowners predominantly secured over assets.

Squirrel is the Investment Manager and the Fund invests in the Squirrel Wholesale Home Loan Fund, Squirrel Wholesale Construction Loan Fund and the Squirrel Wholesale Personal Loan Fund. Squirrel actively manages the Squirrel Wholesale Funds' loan exposure through Squirrel's peer-to-peer ("P2P") platform.
