

WOOP referral offer T&Cs

- If you were named as the referring friend or family member (a 'referrer') in a Squirrel client's (a 'referee's') mortgage application, you will become eligible to receive a voucher for a complimentary **WOOP foodie box for two** once the referee's mortgage application has been 'submitted to lender'.
- The voucher will be sent to you from Squirrel via email during the month after the associated mortgage application reaches 'submitted to lender' status as confirmed by Squirrel.
- There is no limit to the number of WOOP vouchers that can be received by a referrer from Squirrel. The more friends you refer, the more vouchers you receive once their mortgage applications reach 'submitted to lender' status.
- The email address that the vouchers are sent to will be the referrer's email address specified by the referee in their mortgage application, along with the referrer's name.
- You do not have to be a Squirrel client in order to receive this referral gift.
- This referral gift cannot be transferred for cash or any other gift.
- Squirrel reserves the right to change or cancel this WOOP referral offer at any time without prior notice.

*Note: WOOP deliveries are now available in many **delivery zones** around New Zealand.*
