Loan 17384 – This loan has since been repaid.

Loan 17718 – Squirrel is working with the borrower to restructure the financing for their planned development.

Loan 18301 – This loan has since been repaid.

Loan 18028 – Squirrel is working with the borrower to achieve a sale on a secured property which will repay this loan.

Loan 18662 – The loan is expected to be repaid through sale of the secured property.

Loan 18296 – This loan is expected to be repaid in October.

Loan 18737 – Half of the loan has been repaid and the remainder is expected to be repaid in October or November.

Loan 18383 – Half of the arrears are expected to be repaid through sale of the secured property.

Squirrel works closely with Borrowers, where loans are in default, proactively seeking strategies and options to enable Borrowers to repay their loans. We prefer a successful “work out” to other action – this generally incurs less costs and keeps all stakeholders focused on achieving the best possible outcome, in the shortest period possible. We find this positive approach is effective in most cases, but where required we will not hesitate to act to protect Investors’ capital.

These loans are protected by a Squirrel Reserve Fund – the Reserve Funds cover interest arrears and, should a borrower default, the Reserve Funds cover potential shortfall in principal recovered from the borrower – limited to its capital base.

Summary

The Fund continues to benefit from the strong pipeline of development funding Squirrel originated during the first quarter.

Loan 18301 – This loan is expected to be repaid through a secured property sale.

Loan 18675 – This loan is expected to be repaid through a secured property sale.

Loan 17716 – Squirrel is working with the borrower to restructure the financing for their planned development.

Loan 18667 – This loan has since been repaid.

Loan 18131 – This loan is expected to be repaid in October.

Loan 18663 – The loan is expected to be repaid through sale of the secured property.

Good progress is demonstrated above in working through customers who are in arrears and/or over term. Squirrel works closely with Borrowers, where loans are in default, proactively seeking strategies and options to enable Borrowers to repay their loans. We prefer a successful "work out" to other action – this incurs less costs and keeps stakeholders focused on achieving the best possible outcome, in the shortest time possible. We find this positive approach is effective in most cases but where required we will not hesitate to act to protect Investors' capital.

These loans are protected by a Reserve Fund – the Reserve Funds cover interest arrears and, should a borrower default, the Reserve Funds cover potential shortfalls in principal recovered from the borrower – limited to its capital base.

Meet the team

Dave Tyrer

021 280 3136

dave@squirrel.co.nz

Dave joined the Squirrel team in 2020. As our Group Head of Asset Management, Dave heads up all aspects of our peer-to-peer lending and investment platform and manages the product offering across the business.

Over the years, he's been responsible for the delivery of several major product enhancements for Squirrel, including the launch of the Squirrel On-Call Account, the Squirrel Monthly Income Fund, and a number of other solutions tailored to wholesale investors.

Prior to joining Squirrel, Dave racked up nearly 20 years of senior experience across leading New Zealand financial services organisations—including ANZ and Westpac—with a primary focus on delivering product and service solutions to digitise and transform the customer experience.

To put it simply—what Dave doesn't know about the world of finance and investing isn't worth knowing. If you've got questions about investing with Squirrel, and which option might be right for you, Dave's your guy.

Doug Thomson

021 080 95 731

doug@squirrel.co.nz

Doug joined Squirrel as our Investor Relations guru in 2021, bringing with him more than 25 years' experience across the global investment and financial services landscape.

His day-to-day involves working closely with wholesale investors, fund managers and investment advisers, tailoring solutions to suit their goals and complement their wider investment strategy (whether via our existing products, or a bespoke portfolio of loans).

Thanks to Doug's extensive knowledge of the regulatory environment governing New Zealand's financial services sector, he's also instrumental to the design and ongoing management of our various investment offerings, including our investment guidelines.

It also means that—whether they're just starting out, or already have a complex portfolio of investments in place—Doug is an expert at helping our investors understand their different tax and regulatory requirements.

In short, there's no one better placed to talk you through your investment options with Squirrel.

Iain Cox

027 516 7582

iain.cox@squirrel.co.nz

Iain joined Squirrel in 2026 as our Head of Managed Funds — a newly created role that reflects just how quickly our managed fund offering is growing.

With over three decades of financial services experience under his belt, Cox came to Squirrel following nearly 12 years as ANZ's Australasian Head of Fixed Income—overseeing its fixed income and cash portfolios across New Zealand and Australia, including over \$9 billion in NZ domestic fixed income.

With deep expertise in bonds and cash investments, Iain plays a key role in strengthening governance and shaping the future of our managed funds as we continue to grow in this space.

Risk and disclosure notice

FundRock NZ Limited is the Issuer and Manager, and Squirrel Money Limited ('Squirrel') is the Investment Manager, of the Squirrel Wholesale Investment Funds ('Scheme'). Squirrel Money Limited is the Manager and Issuer of the Squirrel Wholesale Funds ('SWF Scheme').

This fund overview and investment update is provided by Squirrel in good faith and is designed as a summary to accompany the Information Memoranda ('IMs') for the Scheme and the SWF Scheme.

Each IM gives you important information about the relevant Funds and Scheme to help you decide whether you want to invest. The Manager of each Scheme has prepared the relevant IM in accordance with the trust deed for that Scheme and the fund establishment deeds for its Funds. Neither Scheme is a registered scheme under the FMC Act. The IMs are not product disclosure statements for the purposes of the FMC Act and neither the Schemes nor the offers made by each Fund are registered or regulated under the FMC Act (although Part 2 of the FMC Act still applies).

The law normally requires people who offer financial products to persons who are 'retail investors' under the FMC Act to give information prescribed by the FMC Act and its regulations to these investors before they are able to invest. This information is designed to help investors make an informed decision.

If you are a wholesale investor, the usual rules do not apply to offers of financial products made to you. As a result, you may not receive a complete and balanced set of information. You will also have fewer other legal protections for these investments. Ask questions, read all documents carefully, and seek independent financial advice before committing yourself.
