31 March 2024

The Squirrel Monthly Income Fund ('Fund') seeks to generate a competitive and regular income from a diversified portfolio of NZ loans secured by a registered first mortgage on residential property and personal loans to NZ Homeowners. Squirrel focuses on mortgage lending to select market niches where investors can expect to earn attractive returns from carefully qualified borrowers with residential property as security.

Performance and Market Commentary

In March, the Fund returned 0.61%² leading to a 1-year return of 7.59%². We increased the Fund's investment in the Squirrel Wholesale Home Fund to 25.60% and reduced its investment in personal loans to 3.36%. The Fund's investment strategy is to invest only in loans secured by registered first mortgages over NZ residential property. The Fund's portfolio comprised of 171 loans: 132 Construction, 27 Home, and 12 Personal. The weighted loan-to-value ratio for Construction and Home Loans was 61.48%. In April, we plan to divest remaining personal loans, reinvesting in Home and Construction loans. Despite the challenges facing NZ's residential market, we're confident in our ability to continue to originate attractive lending and investment opportunities. Investors can rest assured that these loans will be secured by first-ranking mortgages and have the protection of Squirrel's reserve funds.

Investment Objectives and Strategy

The Fund's investment objective is to provide an annual return, after fees and before tax, that **outperforms the 1 Year New Term Deposit Rate (>\$10k) by a margin of 2.00%**³. The Fund combines Squirrel's real estate lending expertise into a convenient, tax-effective form where investors receive returns from a diverse portfolio of 1) home loans and 2) residential construction loans with first ranking security against residential property and 3) personal loans to Homeowners predominantly secured over assets. Squirrel is the Investment Manager and the Fund invests in the Squirrel Wholesale Home Loan Fund, Squirrel Wholesale Construction Loan Fund and the Squirrel Wholesale Personal Loan Fund. Squirrel actively manages the Squirrel Wholesale Funds' loan exposure through Squirrel's peer-to-peer ("P2P") platform.
